

Local Internship Scholarship Application Hinckley Institute of Politics

The *Dan E. Jones Future Leaders Scholarship* honors the public service and wisdom of Dr. Dan E. Jones. For more than 50 years, Dan Jones has played a prominent role in Utah politics as a teacher, pollster, mentor, and political guru. Thousands of Utahns have been inspired while listening to his passionate lectures on U.S. Government. Many of Utah's leaders - in business and politics - trace their careers back to a class and/or early mentoring by Dr. Jones. The scholarship will be awarded to state and local interns who are committed to public service and demonstrate outstanding academic accomplishment and leadership potential.

The *Senator Pete Suazo Leadership Foundation* was founded in November 2001, shortly after the tragic death of the late Senator Suazo. The Foundation was established at the University of Utah to honor the legacy and commitment of the Senator. The Pete Suazo Community Scholarship Foundation provides scholarships for ethnic minority students enrolled at the University of Utah who demonstrate a passion for community service.

The *Margaret Rampton Scholarship* honors late Governor Cal Rampton's daughter. The scholarship will be awarded to interns serving internships in the Executive Branch of Utah State Government.

The amount and number of scholarship awards will vary depending on the number of applicants, internship costs, demonstrated financial need, academic record, and experience. Generally local internship scholarships are \$500.
